NOTES:

- Fresh Madison Market, Chef Jack's Catering & Lee John's Catering – do *not* travel/cater to Edgerton
- Buffets, Seated dinners, and Family Style all work great at OTV.
- *Food Stations* – If having your ceremony on-site, we do not recommend Food Stations. Food Stations set up inside the barn eliminates using barn for ceremony (in case of inclement weather), leaving no backup plan for your ceremony.
